Education

Wilfrid Laurier University

September 2022 – Present

Bachelor of Design (BDes) in User Experience Design

Professional Experience

Summer Internship 2026

TD Bank Group – Digital Performance Marketing Wealth Intern/Co-op

TD Easy Trade Investing | TD Marketing

- Supported TD Easy Trade digital performance marketing campaigns across paid search, paid social, display, programmatic, and public site channels.
- Analyzed campaign performance across the Awareness, Consideration, and Acquisition stages using KPIs including CTR, landing page views (LPVs), cost per landing page view (CPLPV), app downloads, and account opens.
- Prepared weekly Growth Pod recaps summarizing channel performance, creative insights, blockers, stakeholder updates, and next steps.
- Reviewed the customer journey, app onboarding, and intern focus group feedback to identify UX friction points and opportunities for improvement.
- Analyzed App Store customer reviews to identify recurring usability issues, pain points, and customer needs, and translated the findings into actionable UX recommendations.
- Contributed recommendations on audience strategy, budget allocation, retargeting, and creative testing to improve campaign efficiency.

Summer Project 2025

Mobile App UX & Digital Product Case Study

- Designed high-fidelity mockups and prototypes for a fictional food delivery mobile app covering multiple user workflows.

Summer Project 2024

Self-Published Writer

- Published a children's [e-book](#) on Amazon, developing skills in content structure, typography, and visual hierarchy.

Summer Internship 2023

BreezeMaxWeb – Digital Marketing & Design Intern

- Designed ad creatives for Google, Facebook, and TikTok.
- Developed wireframes and visual assets aligned with brand goals and platform best practices.
